

Round 3 Wrap

I will keep this nice and brief. Many interesting outs and injuries this week will almost ensure most teams make 1-2 trades this week. Hopefully the below will help people make those choices. For the all important Riewoldt, it looks as though Jonathon Brown or Ryan O'Keefe shape as the most likely trades with other options including Paul Chapman, Matthew Pavlich, Adam Goodes, Jared Brennan, Cyril Rioli, Shannon Byrnes and Dale Thomas. The other injuries at this stage could perhaps be replaced with your benchers given the solid scoring many are showing (Peterson, Duncan, Rockliff in the forwardline, the Plethora of Midfielders and Silvagni, Nason and Maguire in the backline).

Notes:

Players must have played at least 2 games and be priced over \$300,000

'B' = Bargain (Priced 30% under their average for the season)

'C' = Cheap (Priced 20% under their average for the season)

'V' = Value (Priced 10% under their average for the season)

Top 10

As per last week I have included the top 10 players from each position by breakeven. This list only includes players who have played two or more games.
